DISTRICT MISSION

Mission Statement

The Harrisburg School District optimizes student potential through the pursuit of educational excellence in partnership with the school community.

Vision

It is the vision of the Harrisburg School District to create a legacy of exemplary academics, paired with a comprehensive scope of extra-curricular activities and opportunities that will develop an educational environment of leaders who foster citizenship, exemplify integrity, and evoke critical thinking. As an innovative, leading-edge school district, together we will maximize positive change and transcend barriers.

Motto

Building Strong Foundations for Success

Goals

Six goals that contribute to the achievement of the Mission, listed without priority in arrangement, define desirable outcomes to be incorporated into plans for our school system.

1. To provide a quality academic curriculum which ensures students' acquisition of knowledge and skills.
2. To provide an environment conducive to teaching and learning which ensures opportunities of success for all.
3. To provide opportunities to practice responsibility, respect, and acts of good citizenship.
4. To provide an environment which motivates students to be critical and creative thinkers.
5. To provide students with challenges and adventures that motivates them to become life-long learners.
6. To teach respect for the law, the rights of others, and self in a diverse community.
