

<b>Harrisburg School District</b>	<b>NEPN Code: JP</b>
<b>Policy Manual</b>	

## **SERVICES AND FEES FOR NON-ATTENDING STUDENTS**

Services outside of the regular school day and curriculum regularly require fees of participating students to offset costs. These fees are duly and regularly authorized by the Board.

Students not enrolled in the Harrisburg School District may be charged additional fees and be offered the services only after all Harrisburg School District enrolled students have been given first opportunity to register for such services.

Priority of enrollment:

1. Harrisburg School District enrolled and qualified students at the deadline date for enrollment of any service have first priority.
2. Qualified students who live within the boundaries of the district but are not enrolled in the Harrisburg School District at the deadline date for enrollment of any service.
3. Any other qualified student living outside the district boundaries.

Fees:

Fees are set by the Board. Additional fees are at the Board discretion for those students not enrolled in the Harrisburg School District.

Denial of Enrollment:

The principal supervising the service will have discretion to deny any student, regardless of qualification, fees and space the right to enroll in any provided services.

The services included in this policy include, but are not limited to:

- Driver's Education
- ACT Preparation
