## **SCHOOL BOARD STUDY SESSIONS AND WORK RETREATS**

The Board is tasked with a constant flow of governance issues that require action and is determined to expedite the business of the District. The Board is also mindful of the importance of planning, brainstorming and thoughtful discussion.

At its discretion, the board may schedule study sessions or working retreats in order to provide the governance team an opportunity to deliberate without taking action. Generally, study sessions and work retreats are not open to public input. However, the Board may solicit input as the discretion of the Board Chair.
